

29. 2 Cor. 9:10 *γεννηματα* || *γεννηματα* [6%] 2554^c [the extra *nu* was added above the line, but the first hand was correct, so this is not a variant; in any case, within the context the two forms are synonymous]

30. 2 Cor. 11:7 *εαυτον* || *εμαντον* [78%] 2554^c [the *mu* was added above the line by a later hand, so this is not a variant; in any case, within the context the two forms are synonymous]

Comment: I consider that the first hand gives us a perfect copy of the archetype for 2 Corinthians. Galatians, Ephesians, Philippians and Colossians also give us a perfect copy of the archetype.

31. 1 Thes. 2:8 *μειρομενοι* || *ομειρομενοι* [30%] 2554^c [it appears that an *omicron* was written around an *iota*, but it is difficult to tell from a microfilm; in any case, since these appear to be alternate spellings of the same word, this is not a proper variant]

Comment: I consider that the first hand gives us a perfect copy of the archetype for 1 Thessalonians. 2 Thessalonians also gives us a perfect copy of the archetype.

32. 1 Tim. 1:9a *πατραλοιαις* || *πατρολωαις* [34%] [Family 35 is divided here, but a majority, including 2554, have the first reading. Liddell & Scott give it and the feminine counterpart as the basic forms, their meaning being ‘striker’, rather than ‘killer’, which makes better sense]

33. 1 Tim. 1:9b *μητραλοιαις* || *μητρολωαις* [40%] [same as above]

34. 1 Tim. 5:21 *προσκλησιν* || *προσκλησιν* [75%] [Family 35 is divided here, but a majority, including 2554, have the first reading; the two forms were pronounced the same way; within the context the meaning is not affected.]

Comment: I consider that the first hand gives us a perfect copy of the archetype for 1 Timothy.

35. 2 Tim. 3:14 *επιστωθης* || *επιστευθης* [10%] 2554 [the two forms represent different verbs, but within the context they act as synonyms; the meaning is not affected]

36. Titus 2:7 *αδιαφοριαν* || *αδιαφοριαν* (8%) 2554 [this is just an alternate spelling of the same word, and therefore not a proper variant]
