

will also have strongholds of Satan in his mind. Since Satan is the ‘father’ of lies (John 8:44), anytime you embrace a lie you invite him into your mind—this applies to any of his sophistries (2 Corinthians 10:5) currently in vogue, such as materialism, humanism, relativism, Marxism, Freudianism, Hortianism, etc.

The selling of the lie is carried on from generation to generation, resulting in a continuous defection. Most professors are ‘parrots’, simply repeating what they were taught, without ever going back to check the facts. Some older scholars may have become aware of the facts, but because of vested interest they do not mention them to their students; they maintain the party line.

Is there a Way to Stop the Defection?

I believe there is, and it must begin with the TRUTH. To be more precise, it must begin with the love of the truth, which necessitates that the truth be made available. We must promote the love of the truth, and to do that we must also denounce the lie.¹ To promote something, we need vehicles for doing so. To succeed, we must be convincing. Most important, we must do something about the interference in people’s minds.

Vehicles for promoting the truth:

It is modern technology that comes to our aid here. Blogs are being used to promote anything and everything. We can use them to promote the truth. I have done a fifteen-hour lecture series (in Portuguese) on the divine preservation of the NT Text. It was filmed and is available on the net via blog. Websites are being used. Most of my work is available from, www.walkjustashewalked.com and even more is available from my own www.prunch.org. And then there is Twitter, Facebook and so on—the fact is that the technical journals no longer have a stranglehold on any discipline; there are other ways of ‘publishing’ your ideas. And there has always been word-of-mouth, people telling their friends and acquaintances. I suspect that we may soon see a groundswell of this sort of thing.

The advent of self-publishing represents a real boon to those of us who reject a party line, and do not have the financial means to use an established publishing house. For various reasons it has become increasingly difficult to use a publisher. The contracts place all the onus on the author (including the cost of lawsuits). One must cover the cost of several thousand copies up front, and even so, only if the publisher decides he can

¹ My own denunciation of the Hortian lie has been in print since 1977, and I continue to stand by every bit of it.
